MALLOW TECHNOLOGY PRIVATE LIMITED

07/2023 - Present   *karur, India*

Achievements/Tasks

- Developed and maintained web applications using HTML, CSS, JavaScript, PHP, and Laravel.Utilized MySQL for database management and integration.Collaborated with a team using Git for version control.

ABOUT ME

Passionate
A hardworking and passionate student with strong organizational skills. Loves collaborating with teammates to develop and implement creative technical solutions to challenging problems.

Ambitious
I always share my positive attitude with the environment. Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure.

PROJECTS

Blogs
- Get the latest news on recent Laravel releases, features, and updates. Catch up on this week's key updates and innovations in React development.

Admin Panel
- An intuitive admin panel for your eCommerce platform, built with React, Tailwind, and Laravel. It provides monthly and year-wise customer reports, along with insightful graphs to help you track your business performance effortlessly.

E-Commerce
- I developed a comprehensive eCommerce site using React, Tailwind, and Laravel, featuring a seamless product display, an intuitive cart system, and secure payment options.
